

Georgia FY2017 AmeriCorps State & National Grant Awards

Corporation for National and Community Service

Below is the FY2017 AmeriCorps grant funding breakdown for Georgia. State formula and state competitive funding will be awarded to the Governor-appointed Georgia Commission for Service and Volunteerism. National direct funding will be awarded to grantees headquartered in Georgia that are operating in more than one state. Georgia AmeriCorps members will also receive post-service Segal AmeriCorps Education Awards to help pay for post-secondary education or pay down student loans. These funding streams all factor into the total award received, shown here:

Funding Type	Amount
State Formula	\$3,772,675
State Competitive	\$63,500
National Direct	\$698,279
Education Awards	\$3,093,580
Total CNCS Funding Awarded	\$7,628,034

In addition to the federal funding from CNCS, these AmeriCorps grantees will leverage an additional **\$12,516,173** in matching support and other resources. Together, they will engage a total of **542** AmeriCorps members in national service.
